## **2012 Terms & Conditions for Saskatchewan High School Rugby**

**1. Insurance Policies & Important Notes:** Through the Rugby Canada National Insurance policy, individuals listed on the Sask Rugby High School Database are extended the coverage as per all members of Saskatchewan Rugby / Rugby Canada (less international travel insurance – see note below). For all information on insurance policies, visit:

<http://www.rugbycanada.ca/leagues/custompage.cfm?clientid=3817&leagueid=0&pageid=4468>

Attached along with this document is information regarding General Liability Policy and Member AD&D Policy in place for the 2012 Saskatchewan High School Rugby season. However, it is important to note the following:

- a. The insurance is ONLY in effect from April 1, 2012 to June 30, 2012.
- b. The insurance is for Saskatchewan High School Rugby activities only! For players who compete in Saskatchewan Rugby or Rugby Canada programs, they must register as full members as per provincial and national dues structure. Such programs include, but are not limited to, the Saskatchewan Provincial Team Program, Canadian National Teams, and Saskatchewan Rugby club competition.
- c. If a player knows they are going to play more than just the high school season, have them fill out a Rugby Canada form as part of their high school season registration. That will cover them for all activities for the entire year and will avoid players getting double charged.

- d. Only those registered with the high school registration form will be extended the coverage. This is required for all players prior to participation.
- e. All Coaches and Managers must be registered with Rugby Canada through the Rugby Canada Registration form, must complete a criminal records check and must completed the Safe Rugby Course or the Online IRB Rugby Ready modules and provide the certificate to the office. All head coaches must have taken NCCP Intro to Competition training and it is encouraged that all coaches involved take the NCCP Rugby Introduction to Competition Course.
- f. You will notice insurance policies expire on April 30, 2012. Do not be alarmed by this as policies have been renewed until April 30, 2013. No major changes are anticipated for the new policies, which will seamlessly be in place on May 1, 2012 for another year. If there were any major changes or disruption of policies, we would let you know immediately. Again, please note that this is highly unlikely to be an issue in the least, but wanted to explain the April 30, 2012 expiration date on the documents.
- g. There is NO international travel insurance policy in place for Saskatchewan High School Rugby teams and individuals. IF you are touring to the Unites States or elsewhere outside of Canada, you should purchase travel insurance. Here is the contact of an individual who works for our broker (Marsh) who can advise you on what you should have in place for International travel:
