Guidelines for Applicants

Position Details

- The position will offer professional development for an individual seeking a career in the sport management or sport administration domain.
- There will be times when the role may include opportunities to travel for additional learning experiences.
- This is definitely not a “nine to five” role. As noted above, evening and weekend expectations will arise but there is an opportunity for flexibility in the time demands of the position to coincide with academic requirements and / or other regular commitments.
- There will be times when additional experience in other departments may be earned as some other staff may call all upon the appointed person to support other duties as required.

Selection Criteria

- Due to the nature of the position dealing specifically with the demands of Rugby planning and development, some knowledge of the sport is considered a valuable asset.
- Demonstrated evidence of an ability to work independently without supervision but in accordance with documented policy and procedure guidelines.
- A record of working as a team member, as well as a history of performing in situations that require self-leadership and initiative.
- Computer literacy especially with spreadsheets, word processing and power point presentations and the ability to operate other software programs as necessary.
- Displays excellent time management and workplace co-operation skills.

To be considered for this position, all applicants must be currently enrolled in a degree / diploma program in a relevant field of study at a university / college institution or vocational school during the term of the internship.

All applicants should have a valid driver's license and it is advised to have a current passport. Access to a vehicle on a daily basis is considered a valuable asset, but not a requirement.
